CHALLENGE RACE!

Rotary Club of Lynnwood | P.O. Box 5856 | Lynnwood WA 98046-5856

Sunday June 4, 2017, 9 am – 2 pm

Lynnwood Transit Center, 20100 48th Ave W., Lynnwood

For more than 20 years, Rotary Clubs in Washington have sponsored Challenge Race events each summer. For the second year, Lynnwood joins the fun, bringing together those who have a “Special Need for Speed” with their typically developing classmates in a fun racing challenge!

For the race, two children climb into the seat of a sleek soapbox derby-type car. With the slam of the starting gate, the car’s wheels begin to turn. As gravity kicks in, the two-seater dashes along to the finish line. A student with developmental disabilities (the Co-Driver) rides in the car with another student who has been trained as a Driver. Drivers and Co-Drivers each Co-Driver will receive a free event t-shirt and participation medal, and can race the course twice if they want to! It’s designed so all the students can have a great time together.

There is NO COST to enter, but registration is required!

Registration Deadline: May 20, 2017

The Race Course – Safety Features:

Our course is in the back half of the Lynnwood Park and Ride, which will be closed to traffic for the event. It features a gentle, less-than 7% grade which allows the cars to reach a speed of approximately 15-17 miles per hour. Cars are fitted with brakes and steering, and student Drivers in control of the vehicles are trained and certified to operate the cars safely. Straw bales are placed along the way as visual and physical barriers.
